**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

As previously disclosed, the Company was notified by Nasdaq that it was out of compliance with Listing Rule 5550(b)(1), which requires that the Company maintain stockholders' equity of at least \$2,500,000 for continued listing, or to meet the alternatives of market value of listed securities or net income from continuing operations. The Company did not originally regain compliance within the applicable timeframe to cure such deficiency and had scheduled an appeal of its delisting with a Hearings Panel for April 1, 2025.

On March 27, 2025, Nasdaq notified the Company that it had regained compliance with Rule 5550(b)(1). As a result, the hearing scheduled for April 1, 2025 has been cancelled and the Company's securities will continue to be listed and traded on The Nasdaq Stock Market.

**Forward-Looking Statements**

This current report contains "forward-looking statements" within the meaning of the U.S. federal securities laws. Forward-looking statements can be identified by words such as "projects," "may," "will," "could," "would," "should," "believes," "expects," "anticipates," "estimates," "intends," "plans," "potential," "promise" or similar references to future periods. Examples of forward-looking statements in this current report include, without limitation, statements regarding the Company's available options to resolve the deficiency and regain compliance with Nasdaq Listing Rule 5550(b)(1). Forward-looking statements are statements that are not historical facts nor assurances of future performance. Instead, they are based on the Company's current beliefs, expectations and assumptions regarding the future of its business, future plans, strategies, projections, anticipated events and trends, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent risks and uncertainties, and actual results may differ materially from those set forth in the forward-looking statements. Important factors that could cause actual results to differ include, without limitation, that there can be no assurance that the Company will meet Nasdaq Listing Rule 5550(b)(1) during any compliance period or otherwise in the future, that

there can be no assurance that the Company will otherwise meet Nasdaq compliance standards, that there can be no assurance that Nasdaq will grant the Company any relief from delisting as necessary or whether the Company can agree to or ultimately meet applicable Nasdaq requirements for any such relief, and the other important factors described under the caption "Risk Factors" in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission (the "SEC") for the year ended December 31, 2023 and its other filings with the SEC. Any forward-looking statement made by the Company in this current report is based only on information currently available and speaks only as of the date on which it is made. Except as required by applicable law, the Company expressly disclaims any obligation to publicly update any forward-looking statements, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
